Annex V p. A	REGULATION (EU) 2023/1230	
м	IANUFACTURER	
Certifico S.r.l.		
Company	0(1)5	DC.
Via Antonio De Curtis, 28 Address	06135 Post code	PG Province
Perugia	Italia	riovince
City	Country	
MACHINE	RY/RELATED PRODUCT	
	nodified machinery or related product: NO	
Assembly of machinery		
Machinery/related product name M Machinery	Type/model	
Machinery/related product		
Batch/serial number	2024 00 01.09.2024	
Batch/serial number	Year (N) Revision	
Trade name		
Trade name (N)		
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability		NO Attached picture (N) slation:
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU		Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation	nformity with the following Union harmonisation legi	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3)	nformity with the following Union harmonisation legi	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010	nformity with the following Union harmonisation legi	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010	nformity with the following Union harmonisation legi	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Fraceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications app	nformity with the following Union harmonisation legi	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications common specifications applications applications Internal production control (module A) Annex VI	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications /Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additional information	nformity with the following Union harmonisation legis	Attached picture (N)
Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Dbject of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications/Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additiona information	nformity with the following Union harmonisation legis	Attached picture (N)
Intended purpose (N) Object of the declaration (2) Traceability Identification of the machinery/traceability The object of the declaration (2) is in cor Directive 2014/35/EU Union harmonisation legislation Harmonised standards/technical specifications applied (3) EN ISO 12100:2010 Harmonised standards/technical specifications /Commission common specifications applied Internal production control (module A) Annex VI The machinery or related product is subject to the conformity assessment procedure Additional information	nformity with the following Union harmonisation legis	Attached picture (N)

This Declaration of Conformity is issued under the sole responsibility of the manufacturer.

EU DECLARATION OF CONFORMITY MACHINERY/RELATED PRODUCTS

Annex V p. A REGULATION (EU) 2023/1230

Complex installation composed by the following machines:

Builder	Machinery	Model	Serial number
Manufacturer	Component 1	01	01
Manufacturer	Component 2	02	02
Manufacturer	Component 3	03	03

This Declaration of Conformity is issued under the sole responsibility of the manufacturer.
